**FIGHT CLUB™**

Designed by Steve De Nardi

## TIME OUT FOR REPOSE

Fight Club is a fully upholstered, soft-formed, armless lounge with a companion ottoman, that is a perfect mix of play and comfort. A grouping of chairs is well-suited for impromptu meetings, while a stand-alone unit serves well for a place to focus. Fight Club is available in a variety of fabrics and features a removable zippered cover for ease of cleanability.
