DOCK® WORK TABLES

Statement of Line

Statement of Line	➤ See page DW.2
Planning	DW.3
Pricing	DW.5
Surface Materials	DW.6

Seating-Height (29"H) Tables
➤ See page DW.5 to specify.

Standing-Height (41"H) Tables
➤ See page DW.5 to specify.

10" Power/Data Center
➤ See page DW.5 to specify.

DOCK® WORK TABLES

Overview

Planning

Statement of Line	➤ See page DW.2
Planning	DW.3
Pricing	DW.5
Surface Materials	DW.6

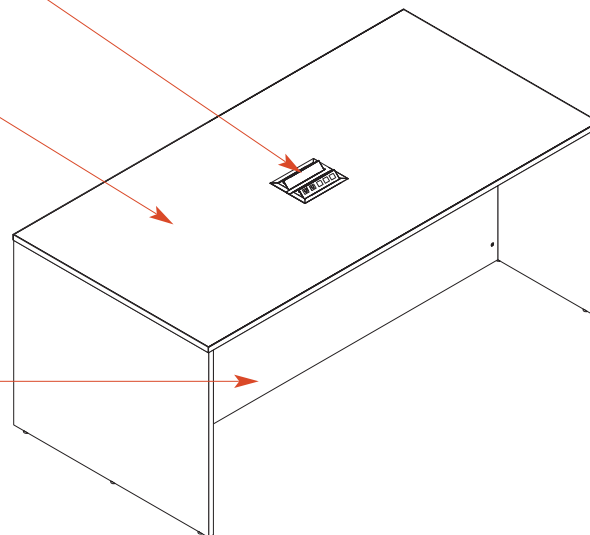

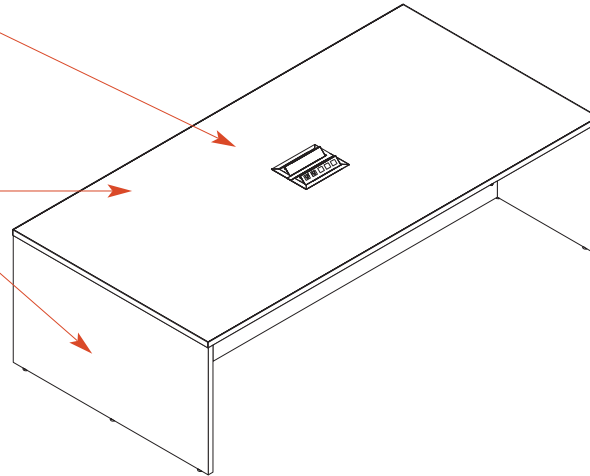

Seating-height tables are 29"H and available 78" or 96"W (nominal).

Table worksurfaces and end panels are 1³/₁₆" thick. Worksurface is 3-ply, balanced construction in wood or laminate.

Optional power/data center cut-outs are available factory installed. Upcharge applies.

Standing-height tables are 41"H and available 78" or 96"W (nominal).

Center modesty panels are 3/4" thick. They extend from the underside of the worksurface to the floor for strength and stability. It is notched at the top to accommodate a power/data center.

Details

Exterior surfaces are available in veneer and laminate.

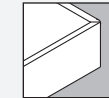

Joints are securely fastened with dowels and mechanical fasteners to ensure maximum strength.

Two short modesty panels (4"H on 29"H table and 10"H for 41"H table) are included to create a trough to hide the power/data center.

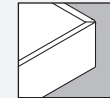

Materials:

- W** Wood worksurface, rim, and chassis
- LW** High-pressure laminate (HPL) worksurface with wood rim and wood chassis
- L** High-pressure laminate (HPL) worksurface with vinyl rim and laminate chassis

Rim Profiles:

P Softened vinyl rim

F Softened wood rim

Rim profile is 1/8" thick and appears on all edges of the worksurface. Wood and laminate with wood rim models are available with a softened wood rim. Laminate models are available with a softened vinyl rim.

DOCK® WORK TABLES

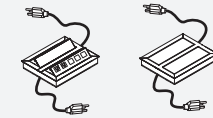

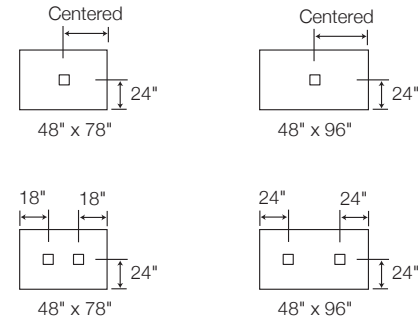

Technology Management | Power/Data Cut-Out Options

Planning

Statement of Line	➤ See page DW.2
Planning	DW.3
Pricing	DW.5
Surface Materials	DW.6

Top Size	Cut-Out Location Designators
48" x 78"	C2C = One C2 cut-out, center location
48" x 96"	C2LR = Two C2 cut-outs, both left and right end locations
	X = No cut-outs

Location of Cut-Outs

Factory-installed C2 cut-outs are sized to fit 10" power/data centers (model KCU0810ELPDC and KCU0810ELPDCH).

10" power/data center, specified separately, features two power receptacles, three blank data ports, and one 10' power cord on each side, for a total of four power receptacles, six data ports, and two power cords per unit. Voice/adapter kit is included to accept couplers and jacks when required. Top opens and closes with a touch-pivot action. Clear anodized aluminum.

How to Specify

Insert the location designator for step ④ in the table top's model number sequence.
