FIGHT CLUB™ SEATING

Overview

Planning

Statement of Line	➤ See page FC.2
Planning	FC.3
Pricing	FC.4
Surface Materials	FC.6

Back slightly reclines for comfort.

Pocket spring construction covered with a channeled down layer provides a comfortable, soft seat.

- = Inside back
- = Seat top (not shown)
- = Exterior back and sides

Contrasting upholstery may be specified for the seat top, inside back, and the exterior sides/back on the lounge; for the ottoman, contrasting upholstery may be selected for the top and sides.

IMPORTANT: Redistribution of down filling over time may appear as comfort wrinkles. Some puckering is expected along vertical and horizontal seams due to the relaxed upholstery. Down-filled channels may telegraph through thinner fabrics; specifying a thicker fabric is recommended.

Applies to:

- Fight Club lounge and ottomans

Kimball Seating Fabric

Price Grades 1–7

▶ See the *Surface Materials Reference Guide* at www.kimball.com for the most up-to-date list of available seating fabric patterns.

Kimball Leather

Price Grades L7 and L8

▶ See the *Surface Materials Reference Guide* at www.kimball.com for the most up-to-date list of available seating leather.

Alliance Fabric

Price Grades A–R

▶ See Surface Materials at www.kimball.com for a wide variety of graded-in fabrics from Arc-Com, Carnegie, CF Stinson, EnviroLeather, KnollTextiles, Maharam, Mayer Fabrics, Momentum, and Ultrafabrics.

COM/COL

Kimball has analyzed each model to most accurately reflect the COM/COL yardage requirements shown on the pricing pages. The yardage requirement for each model is based on 54"W fabric and cutting the fabric up the roll.

For widths other than 54", increase the yardage requirement by the factors below:

<i>Fabric width</i>	<i>Increase yardage</i>
50"–53"	15%
48"–49"	30%
45"–47"	45%

If repeat is larger than 18", contact Customer Service to confirm the correct amount of yardage required.

When ordering 10 or more chairs in the same COM, yardage requirements may be reduced.

▶ Contact Customer Service.

▶ See the *Kimball Surface Materials Reference Guide* at

www.kimball.com for a complete overview of the Kimball materials program, including:

- Characteristics of wood
- Special wood finishes
- Customer-specified laminate (CSL)
- Customer-specified paint (CSP)
- Fabric application and colorways
- Customer's own material (COM) process overview
- Alliance program
- TB133 process
