DOCK®
Meeting & Social Spaces

MEETING, COLLABORATING, AND IDEATION SPACES

Information sharing can occur anywhere. Dock tables provide multiple ways to equip spaces for group work and collective innovation. With comprehensive power and data connectivity, spaces easily accommodate short term sync ups or extensive gatherings.

GATHERING, LEARNING, AND CONFERENCE SPACES

We live in a world driven by on-demand knowledge. Which, in turn, relies on high-functioning spaces to seamlessly create fully functional hybrid meeting areas. Dock easily merges technology and design aesthetic to provide tables that achieve power/data connectivity and a sleek style

CAFÉ, DINING, AND HOSPITALITY SPACES

Comfortable spaces are found at work and home, dining and relaxing, or learning and community and Dock has the style to fit all those avenues. Dock tables provide an expressive, cohesive look across multiple heights and sizes, along with the ability to use a variety of materials to provide a comprehensive solution.
