DESIGNED BY JOHN NELSON, SR

STUNNING COMPOSITION

Jelsen tables and stools feature a distinct hourglass shape, providing a timeless design for any space. The tubular base features a dramatic bend that establishes its striking silhouette, then flows into a circular pedestal creating a juxtaposition between angular style and organic beauty. Available in a variety of sizes, shapes, and heights, Jelsen commands attention in any environment.

DIGNIFIED DESIGN

When you blend the varied sizes of tables and stools from the Jelsen collection, the outcome is elegant simplicity. Stand-up height tables and stools provide a casual space to perch and visit. Add an end table to any welcoming area and it will become the focus of everyone's attention. Whether you pull up a stool for a quick conversation or gather around an occasional table, this cohesive portfolio meets all of your needs.
