LUSSO™

STYLE AND SOPHISTICATON

Taking inspiration from modern Italian design, the Lusso family of seating is full of flair. Artistic in design, the soft curved contour of the signature die cast aluminum seat makes Lusso a true stand-out. Beauty and durability meet in Lusso's construction, which is built to stand up to the toughest demands of any application.

LUSSO™

With multiple combinations of bases, aluminum colors and seat pad options, the Lusso family of seating provides solutions for a variety of spaces. The durable frame and bases create a solid construction, with design unique in character yet flexible for any environment.
