

**Your furniture says a lot
about your firm**

Kimball Office offers a large, broadly integrated portfolio of products to help you get the most out of office and public environments, helping to present an enduring, trustworthy image to your clientele. From private office furnishings for bank officers to elegant panel systems, guest seating and lounges, conference tables and filing, our products and services enhance your corporate brand and respect your budget.

Kimball® Office

FINANCIAL MARKET

**Kimball Office addresses
the distinctive needs of the
financial community**

We make it easy to tailor a furniture solution to meet your specific requirements. Our award-winning furniture designs work beautifully together, ensuring visual continuity through all the corridors of your business. Kimball Office stands for high quality, sustainability, and reliability, traits you also want to convey to your customers.

- Kimball Office offers a full range of styles from contemporary to traditional and everything in between. Our portfolio includes furnishings for both private offices and open plan areas.
- We understand your needs, and provide functional products to enhance the way you work. For instance, Traxx, our horizontal mounting system that works with our panel systems to create a built-in look in open plan areas, and brings functionality to the wall space in conference rooms and offices. Or our desks and tables, which can be technology-enabled, handsomely. We take care of the smallest details, like lockable drawers with a “key specific” feature, to assure workplace security and maintenance of confidentiality.
- All Kimball Office products meet or exceed ANSI/BIFMA testing standards for performance and they are backed by a lifetime warranty,
- To help you plan, specify and visualize your new offices, ask your Kimball Office representative to bring it to life with our e-magine software. You can review finishes, floorplans and more.

Many Kimball Office products may contribute to LEED credits. Please refer to our Environmental Data Sheets, located on www.kimballoffice.com for specific details.

the BIFMA sustainability standard

Kimball Office products are level™ certified. level™ provides an easy way to understand how our products can contribute to your sustainability goals. level™ ensures a comprehensive, independent and impartial assessment of the environmental and social impacts of a product's manufacture to the BIFMA e3 sustainability standard.
