Pricing	PE.3

**Shell** on all Pep models is plastic and available in anthracite, chili red, mellow yellow, mink grey, steel blue, and warm white.

**Four-leg metal base** on armless side, armchairs, and armless stools is constructed of tubular steel and is available in anthracite, warm white, or chrome.

**Natural beech wood legs** are available on armless side chairs. Metal frame under the shell will match the shell color.

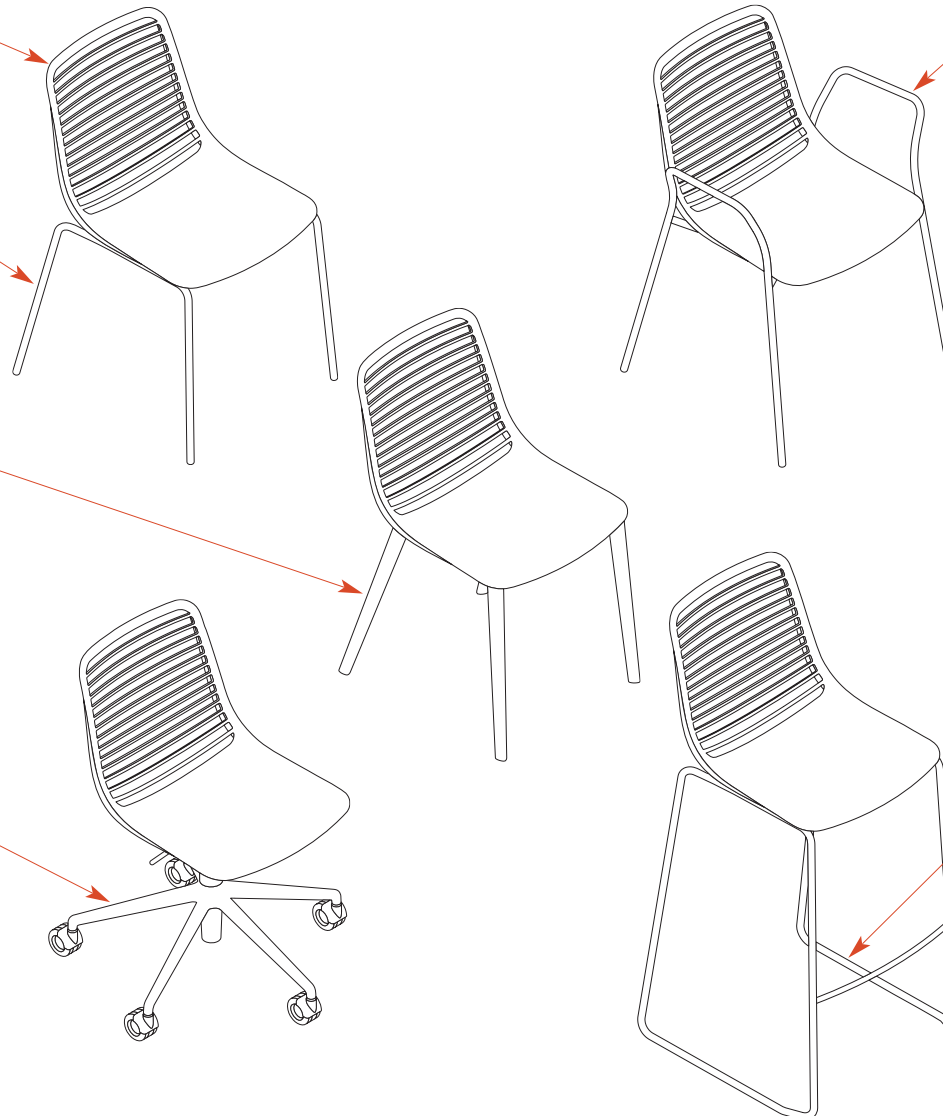

**5-star swivel base** gives 5" of height adjustment and swivels 360° (no tilt). Base is polished aluminum with black polyurethane, anti-stain, non-marking, halo casters.

**Arms** are constructed of tubular steel and are available in anthracite, warm white, or chrome.

**Pep chairs with four-leg metal base**, including chairs with arms, are stackable up to 4 high.

**Pep seating ships ready to assemble.** Seat attaches to frame of side chairs and stools with four screws. For swivel chair, cylinder inserts into base and seat inserts into cylinder; no tools are required.

**Steel sled base on counter-height and bar-height stools** is constructed of tubular steel and are available in anthracite, warm white, or chrome. Footrest is standard. Stackable up to 4 high.
