**Overview**

**Four-leg base** is constructed of tubular steel and is available in a black, grey, or white powdercoat finish to match the shell. Four-leg frame arm chair models are stackable up to 4 high.

**Shell** on all Lusso models is diecast aluminum and is available in a black, grey, or white powdercoat finish.

**Stackable arm chair with 4-leg base** ships in quantities of 4.

**Arm chair with spider base** ships in quantities of 2.

**Arm chair with swivel base** ships as a single chair.

**Spider base** is constructed of aluminum and is available in a black, grey, or white powdercoat finish to match the shell.

**Seat pad** can be specified separately for arm chairs; sells and ships 4 per carton. Available in black or grey.

**Adjustable-height stools** features a chrome base. Column and footring are constructed of steel—available in black, grey, or white powdercoat to match the seat shell—and allows over 10” in height adjustment. Stools ship one per carton.
