

Seating Textile Alliance Program

Mayer Fabrics Customer Service 800.428.4415

Order memo samples through Mayer Fabrics Customer Service, or www.mayerfabrics.com

This document is considered the most up-to-date listing of Mayer graded-in patterns

Even though we try to keep this document as accurate as possible, the supplier may change contents, finishes, etc., without our knowledge. Customer should confirm the most current content information from the Alliance partner.

Textile Appearance Guidelines

Please note that these guidelines are here to help you have the best looking product that Kimball International can provide to you. Guidelines 1-4 are simply explanations of what you may see on your chair. We can still upholster fabrics associated with these guidelines, but you may see some of the characteristics described.

1. Due to thickness and or stiffness this textile may result in gathers and puckers around corners, contours and certain seams.
2. Patterns are considered matched directional; however, decorative stitching, tufting/buttons, seams and seat to back on corner, wedge and diagonal units may not align due to pattern configuration.
3. Textile with high nylon or wool content (more than 50%) may show signs of material stretch and lack of rebound when room temperatures fluctuate.
4. Mohair, velvet and chenille may be easily bruised or have the potential of crooked seams due to the heavy nap and flip.

Textile Restriction Guidelines

Fabrics associated with guidelines 5, 6 and 7 prevent us from upholstering the applicable chair series.

5. This textile cannot be used for glue application. Potential issues could include poor adhesion quality to the mating surface, separation of the fabric face from the backing or glue bleeding through the fabric.
6. Thin and/or loosely woven textiles cannot be used due to potential fabric separation at the seams.
7. This textile has an uneven/irregular surface and cannot be used with topstitch upholstery. The topstitch disrupts the visual appearance of the upholstery. You can contact By Design to see if it is possible to remove the model's top stitch in order to use the fabric.
